Dear Ms. Edwards,

As per your request, enclosed please fine revised CF-1 forms for Resolution numbers 39-2008 and 2012-3. The forms have been revised to correct typographical errors.

The actual current headcount at the 3390 Locust Street facility is 10-12 employees. The headcount at 333 South Third Street is 410. The majority of employees have relocated to the 333 South Third Street facility. Unison Engine Components, Inc. is in the process of transitioning the Locust Street site and adding new product lines to both Terre Haute locations. The business is in the process of hiring new employees to support the new product lines.

Given the fact Resolution 39-2008 will terminate next year, we respectfully request the City Council accept the CF-1 and approve the deduction claimed.

Yours sincerely,
